2. [REDACTED] whose Agency career began in 1956, is a former
operations officer with considerable overseas experience. His
entire record shows that he has always been responsive to require-
ments of his job and dedicated to the mission of the Agency. In
his current GS-14 position as Chief, Operations Branch, Classifi-
cation Review Division, Office of Information Services (OIS), he
has exhibited an ability to serve as a future manager of some of
our more senior positions in OIS. His judgment and analytical
ability are excellent. He is methodical in his approach to problem
solving and is particularly attentive to details. His work is
consistently of high calibre. [REDACTED]

3. We are most desirous of supplementing [REDACTED] exten-
sive Operations Directorate experience with a better understanding
of NFAC and its unique problems. We feel that this experience
would make him an even more valuable asset to our Office of
Information Services. [REDACTED]
